**What is Plein Air?** Plein Air is the 19th-century style of painting outdoors, or with a strong sense of the open air, that became a central feature of French impressionism "the French style of En Plein Air landscape painting". Today Plein Air Events are held all over the world. Plein air events are when both professional and local artist get together to compete for prizes and share camaraderie. They can both educate communities on art and showcase the history of the area. We are anticipating 30 artists for our first event.

**Awards:** Will be sponsored prizes. Some daily events will also be sponsored prizes. Name will be used during event and will be recognized in print materials & online.

**Purchase Prizes** are for daily events, purchase prize sponsors will have input on what they would like painted and with professional judges will assist to pick the winner for that event. Purchase prize sponsors keep winning painting and name will be used during event and will be recognized in print materials & online

### **Other Ways You Can Help**

**Housing for Artist:** We are seeking guest or "Host" houses for artist traveling more than 50 miles - these are professional artist that will need a place to sleep and shower. Most of their time will be spent painting during the event. Some artist may have campers and may only need a safe place to park and/or electric and water hookup. Meals are optional too.

**Donations:** Will be used for creating the event and providing artist and public snacks and drinks at each event as well. We will invite the public to come see the paintings each day. They will have the opportunity to purchase directly after winner of the competition is announced at each location. Paintings may be of local businesses and properties. Donations will also help with marketing and event fees. All donations over \$50 - name will be used during event and will be recognized in print materials and online.

**Food:** Anyone that would like to sponsor snacks and drinks (usually finger foods, wine and other beverages) during any of the day's events. Name will be used during event and will be recognized in print materials and online.

**Volunteers:** We will need volunteers to make this event a success. Volunteers will help stamp canvases, give directions, register artist, give information about event, share history of our area, display art at each event and/or keep it fun just by interacting with the artist. AWOM has been working hard to ensure we have a very successful event. We would love your support or help .
